NOTICE OF TERMINATION

This letter shall serve as notification that U.S. Citizenship and Immigration Services (USCIS) has terminated the designation of Harris Investment Immigration Fund LLC ("the Regional Center") as a regional center under the Immigrant Investor Program (the Program)¹ pursuant to Title 8 of the Code of Federal Regulations (8 C.F.R.) section 204.6(m)(6), because it no longer serves the purpose of promoting economic growth.

The regulation at 8 C.F.R. § 204.6(m)(6) provides:

Termination of participation of regional centers. To ensure that regional centers continue to meet the requirements of section 610(a) of the Appropriations Act, a regional center must provide USCIS with updated information to demonstrate the regional center is continuing to promote economic growth, improved regional productivity, job creation, or increased domestic capital investment in the approved geographic area. Such information must be submitted to USCIS on an annual basis, on a cumulative basis, and/or as otherwise requested by USCIS, using a form designated for this purpose. USCIS will issue a notice of intent to terminate the participation of a regional center in the pilot program if a regional center fails to submit the required information or upon a determination that the regional center no longer serves the purpose of promoting economic growth, including increased export sales, improved regional productivity, job

creation, and increased domestic capital investment. The notice of intent to terminate shall be made upon notice to the regional center and shall set forth the reasons for termination. The regional center must be provided 30 days from receipt of the notice of intent to terminate to offer evidence in opposition to the ground or grounds alleged in the notice of intent to terminate. If USCIS determines that the regional center's participation in the Pilot Program should be terminated, USCIS shall notify the regional center of the decision and of the reasons for termination. As provided in 8 C.F.R. 103.3, the regional center may appeal the decision to USCIS within 30 days after the service of notice.

On April 12, 2016, USCIS issued a Notice of Intent to Terminate (NOIT), which provided the Regional Center 30 days from receipt of the notice to address the bases for termination stated in the NOIT. In the NOIT, USCIS stated that it intended to terminate the Regional Center due to the Regional Center's failure to promote economic growth.

On May 13, 2016, the Regional Center submitted a response to the NOIT. In it, the Regional Center concedes it has not fulfilled its designated purpose but requests an extension of time to demonstrate economic growth. After reviewing the response and the evidence submitted, USCIS has determined that the Regional Center has not overcome the deficiencies raised in the NOIT for the reasons stated below.

Reason for Termination - Failure to Demonstrate Promotion of Economic Growth

Under 8 C.F.R. § 204.6(m)(6), "USCIS will issue a notice of intent to terminate . . . upon a determination that the regional center no longer serves the purpose of promoting economic growth, including increased export sales, improved regional productivity, job creation, and increased domestic capital investment."

As stated in the NOIT, USCIS intends to terminate the Regional Center's participation as a regional center in the Program because it no longer serves the purpose of promoting economic growth. The Regional Center's I-924A filings do not report any EB-5 capital investment or job creation for fiscal years 2013, 2014, or 2015. In addition, although USCIS designated the Regional Center as a regional center on February 13, 2013, the I-924A filings do not report any approved Form I-526s, Immigrant Petitions by Alien Entrepreneurs, or I-829s, Petition by Entrepreneur to Remove Conditions, for petitioners who have made or are actively in the process of making investments associated with the Regional Center. Moreover, as of the date of this notice, USCIS records indicate that no I-526 or I-829 petitions are pending for investments associated with the Regional Center. The regional center's filings do not indicate that it has conducted activity that serves the purposes of the Program since its designation.

On May 13, 2016, the Regional Center's counsel² sent a one page response to the NOIT. In the letter, counsel states that, despite the fact that "the Regional Center's I-924A filings do not report any EB-5 capital investment or job creation for fiscal years 2013 to 2015" the Regional Center requests a "6 to 12-month extension or time period" "to bring the regional center to serve its designated purpose." In the alternative, counsel requests voluntarily withdraw from the program.

² USCIS notes that counsel recently informed USCIS via U.S. mail and email on March 14, 2016, that counsel was adding herself as principal to the Regional Center effective March 14, 2016.

Along with the letter requesting an extension, counsel provided no evidence to demonstrate that the Regional Center will promote economic growth in six months, in twelve months or at any time in the future. Further, the Regional Center has offered no evidence in opposition to the grounds alleged in the NOIT. Additionally, USCIS notes counsel's request to withdrawn from the program. The mechanism to end a regional center's designation, whether initiated by the regional center or USCIS, is termination of the designation.

In the absence of evidence of increased export sales, improved regional productivity, job creation, or increased domestic capital investment, USCIS concludes that the Regional Center no longer serves the purpose of promoting economic growth, and the Regional Center's participation in the Program is terminated.
