Mr. Rick Yi
Middle Georgia Regional Center – **Designation Terminated**
3075 Breckenridge Blvd, Suite 465
Duluth, GA 30096

Notice of Termination

This letter shall serve as notification that U.S. Citizenship and Immigration Services (USCIS) has terminated the designation of Middle Georgia Regional Center (MGRC) as a regional center under the Immigrant Investor Program ("Program") pursuant to Title 8 of the Code of Federal Regulations (8 CFR) section 204.6(m)(6).

The regulation at 8 CFR § 204.6(m)(6) provides:

Termination of participation of regional centers. To ensure that regional centers continue to meet the requirements of section 610(a) of the Appropriations Act, a regional center must provide USCIS with updated information to demonstrate the regional center is continuing to promote economic growth, improved regional productivity, job creation, or increased domestic capital investment in the approved geographic area. Such information must be submitted to USCIS on an annual basis, on a cumulative basis, and/or as otherwise requested by USCIS, using a form designated for this purpose. USCIS will issue a notice of intent to terminate the participation of a regional center in the pilot program if a regional center fails to submit the required information or upon a determination that the regional center no longer serves the purpose of promoting economic growth, including increased export sales, improved regional productivity, job creation, and increased domestic capital investment. The notice of intent to terminate shall be made upon notice to the regional center and shall set forth the reasons for termination. The regional center must be provided 30 days from receipt of the notice of intent to terminate to offer evidence in opposition to the ground or grounds alleged in the notice of intent to terminate. If USCIS determines that the regional center's participation in the Pilot Program should be terminated, USCIS shall notify the regional center of the decision and of the reasons for termination. As provided in 8 CFR 103.3, the regional center may appeal the decision to USCIS within 30 days after the service of notice.

On June 19, 2015, USCIS issued to MGRC a Notice of Intent to Terminate (NOIT) the Middle Georgia Regional Center for failure to promote economic growth, which afforded MGRC 30 days from receipt of the notice to offer evidence in opposition to the grounds alleged in the NOIT. To date, USCIS has not received a response from MGRC to the NOIT.

On August 20, 2014, MGRC submitted a Form I-924 requesting an amendment to the MGRC designation to include an approval of an exemplar project (RCW1423951864). On December 29, 2015, USCIS issued to MGRC a Notice of Intent to Deny (NOID) that amendment request and gave MGRC until January 31,

2016 in which to respond. To date, USCIS has not received a response from MGRC to the NOID and on February 16, 2016 USCIS issued a denial of that I-924 application due to abandonment.

Through this termination notice, USCIS is terminating Middle Georgia Regional Center participation in the Program.

Reasons for Termination

Thus, pursuant to 8 CFR 204.6(m)(6) and for the reasons set forth in the NOIT, USCIS has determined that MGRC no longer serves the purpose of promoting economic growth, including increased export sales, improved regional productivity, job creation, or increased domestic capital investment. MGRC has not provided any evidence in opposition to any of the grounds alleged in the NOIT. Accordingly, USCIS terminates MGRC participation in the Program because MGRC no longer serves the purpose of promoting economic growth.
