Service Motion on Administrative Appeals Office Decision

Form N-565, Application to Replace a Certificate of Citizenship or Naturalization

The Applicant, a naturalized U.S. citizen, seeks a replacement Certificate of Naturalization pursuant to 8 C.F.R. § 338.5. The Director of the Nebraska Service Center denied the Form N-565, Application to Replace a Certificate of Citizenship or Naturalization. We dismissed the Applicant's appeal and two subsequent motions to reopen and reconsider. Upon further review of the record and the Applicant's arguments on second motion, we reopen the motion, withdraw our prior decision, and remand to the Director to reevaluate the Applicant's eligibility.

**ORDER:** The decision of the Administrative Appeals Office is withdrawn. The matter is remanded to the Director of the Nebraska Service Center for the entry of a new decision.
